Goose's message

Camp Philosophy

The focus of Goose's All-Star Soccer Camps is to provide each camper with a combination of excellent coaching and personable staff that makes the experience as educational and fun as possible.

Dear Parents:

We are excited to be working with Detroit's newest professional indoor soccer team, the Detroit Ignition, in an effort to provide our campers with the highest quality of coaching available in the midwest!

Sincerely,

Bryan "Goose" Finnerty

Daily Schedule.

MONDAYS focus on dribbling. Players will learn proper technique followed by scrimmages. Various coordination drills will help foot speed, which is crucial for dribbling in soccer.

TUESDAYS focus on passing. Players will practice passing techniques and work on all aspects of moving off the ball.

WEDNESDAYS are geared towards understanding team concepts. Players will engage in soccer-oriented challenges that require communication and logical thinking to solve tasks. The day is capped with the infamous "Water Fight Wednesday" ritual. It's kids against the coaches and anything goes!

THURSDAYS will incorporate trapping and passing into a day of finishing. The entire day is designed to place players in situations that require different finishing techniques in preparation for the often demanding attacking third. The highlight of the day is a shooting demonstration by the coaches.

FRIDAYS we pull everything together. "Soccer Olympics" are a fun warm-up to the "World Cup" games. Parents are encouraged to attend and cheer on their champions during the "World Cup" games as they show off all the skills they worked on during the week. The week is capped off with a staff autograph session.

Funwork Coaches will post "Homework" on www.goose22.com every day to further encourage each player's thought process. Daily prizes will be given for participation in both playing and web exercises.

What to bring Players should arrive promptly every day with a soccer ball, shin guards, a filled water bottle, and a snack.

Free Stuff Each camper will receive a free camp t-shirt and soccer ball. In addition, each day will be comprised of fun competitions with prizes and sportsmanship awards.
