

Goose's All Star Soccer Camp 2005 DVD Order Form

Get the info:

We are putting together a Highlight DVD from this week's camp! The DVDs will be sold the last day of camp - for \$15 each. This is something we think the kids will love, as well as something that you'll love as much if not more. They also make great gifts for grandparents and other relatives. Please fill out the below information. DVDs will be mailed to you if we don't have enough on hand. We'll have a table set up and you will be able to preview a portion of the DVD.

There will also be an Extended Highlight DVD that will include the highlights from the entire week, including Friday, as well as additional interviews. These will be \$20 and must be pre-ordered and paid for in advance in order to receive a copy. These will ship 2-4 weeks after camp.
